## Community News

### 2011 Oscars Highlights

March 1, 2011 by [Kacieh](#)

0

Did you miss the red carpet festivities last night? Don't worry, we've compiled all of the gilded highlights from the 2011 Oscars right here for your commercial-free enjoyment.

The Oscars unfolded with very few surprises this year. As expected, the B...

### Introducing Wikia Labs

February 24, 2011 by [Sarah Manley](#)

145

We're always working hard to make Wikia better by adding new features and improving existing ones. In order to give our communities a heads-up on new features, and to gather feedback at an early stage, we are now unveiling a new tool -- Introducing ...

### Making the Most of your Main Page

February 23, 2011 by [Xean](#)

37

Your wiki's main page is the gateway to your community and the main navigation hub for your users. Think of the main page as one of those shiny "You are Here" maps -- you want it to be streamlined, easy to understand and well organized so that new v...
